ROAD MAP

JIRA-BOARD

The screenshot displays the Jira Board interface for the 'gowtham' project. The top navigation bar includes links for 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps', along with a 'Create' button and a search bar. The left sidebar shows the project name 'gowtham' and a 'Software project' icon. Below this, the 'PLANNING' section includes 'Roadmap' and 'Board' (which is selected). The 'DEVELOPMENT' section includes 'Code'. At the bottom of the sidebar, there are links for 'Project pages', 'Add shortcut', and 'Project settings'. A note at the bottom of the sidebar states 'You're in a team-managed project' with a 'Learn more' link.

The main content area is titled 'GW board' and shows a Kanban board with three columns: 'TO DO 4 ISSUES', 'IN PROGRESS 3 ISSUES', and 'DONE'. Each column contains a list of issues with their descriptions and IDs. The 'TO DO' column has four issues (GW-5, GW-6, GW-7, GW-8), the 'IN PROGRESS' column has three issues (GW-9, GW-10, GW-11), and the 'DONE' column is currently empty. A 'GROUP BY' dropdown is set to 'None'. A 'Quickstart' button is visible in the bottom right corner.
